Dear Pam,

Let me wish you (not the first I see) the best of luck in a venture you attempt. If you work there is not an obstacle you can't overcome. I've really had fun knowing you in school & out. Have a good time (as you always do) & be good.

It's been lots of fun seeing you around dear old Highland this year. From all the rumors it sounds as if you and your gang had a pretty wild time this year. But I know you're a good girl at heart. See you around this summer.

Bob Lemcke

Dear Pam,

Well here we are through 12 long years of school. We've really had fun & I hate to see it come to an end in some ways. I certainly hope our friendship doesn't come to an end with graduation. Well all the luck in the world. You're a real swell girl I've really enjoyed knowing.

Marian

Well Skinny we finally made it didn't we. Maybe sooner or later you'll win the miss America contest. I hope you get to be miss Phelan this year. Be good..

We have also tried to show special occasions; dances, contests, parties, in an effort to help you relive and forever remember the pleasant times you enjoyed here during the 1955-56 school year. We hope this annual will increase in value in the years to come as you leaf through it and recall the various high school memories and experiences that it brings.

Now we present to you, students and faculty of Highland, your 1956 Tycoma.

Our Guides Along the Way . . .

Our best wishes for future happiness and success go with the members of this year's excellent graduating class. Principal's Message

ONWARD — Henry Wadsworth Longfellow must have had high school students in mind when he wrote the poem, *"Excelsior."* The central character of the poem is a young man with a goal, a goal which he tries to reach giving the supreme effort—his life. All students should have in mind the goals they hope to achieve via their education and should pursue them diligently, as their achievement will be in direct proportion to their effort.

To those of you who have completed your time at Highland, I hope that the work that you have completed will permit you to achieve the goals that you have set for your future schooling or work. To those of you who will return for further schooling, I hope that you will set your goals high and work hard to achieve them.—ONWARD!

Classes

Seniors . . . Proud of the Past — Eager for the Future.

As we the class of "56" go forward into the world, our memorable days at Highland will never be forgotten. From the time we entered as grass-green Freshmen until we were mellow Seniors and received our diplomas, we have enjoyed our days at H.H.S.

We will not forget our Freshman initiation or the good fight we put up in the Mr. and Miss Tycoma contest for our candidates, Hilda Curtis and Jim Cline. Christmas in the Forest, our first formal, was a big thrill for all as was the spring formal, "Singing in the Rain."

Then as Sophomores we got our revenge in the initiation. After a day of being "Almighty Sophomores," we treated the Freshmen to a party and dance. Betty Griffith, our Miss Tycoma candidate, came in second this year.

Juniors! We felt more worthwhile because we were upper classmen now. Donna Melton represented a hard-working and proud class when she won the Miss Tycoma contest. "Under the Sea" was the theme for the Junior-Senior Banquet and Prom which was a real success. "Custer's Last Stand," the Junior Class Play helped finance the Prom and Banquet.

In our fourth year, the climax of high school, we were all looking forward to graduation and planning what we were going to do afterward. The Senior Class Play, "Time Out for Ginger," the proceeds of which went to buy a gift for the school, was a great success. After a triumphant football season, Pamela Nelson and Sylvia Benner represented the Senior Class as Homecoming candidates. We all shared the honor when Pamela was crowned Princess. Pamela Nelson also represented us as our Miss Tycoma candidate, to bring home the honor for a second time for our class as Miss Tycoma.

Juniors . . . Young Adults but Far From Polished

No longer are we referred to as "underclassmen," for at last we are Juniors! This is a goal that we have sought after since we entered as frightened little Freshmen.

Our first order of business this year was to order our class rings which would prove to all that we were Juniors.

Next on our list of business, was selecting our candidates for Homecoming Queen and Tycoma contest. We selected Jackie Smith and JoAnn Ray to represent us at Homecoming. We were all very proud when Jackie was crowned the Queen and JoAnn one of her princesses. Brenda Berndt was our select candidate for Miss Tycoma. We spent nights covering the country side selling tickets to raise money for Brenda, only to be defeated by our Senior competitors.

We had the big problem of raising money this year so that we might give the Seniors the annual Junior-Senior Banquet. To raise money we held a dance, roller skating party, cake sales, and sold at games.

Our last duty of our all important Junior year was to usher the Seniors down the aisle on graduation night.

Now we are looking forward to filling the envied Senior spot and assuming the varied duties that it brings.

Sophomores . . . Cocky, Eager . . . but Confident

Our Sophomore year started out in a big way as our first thoughts were those of the coming Freshman initiation. We decided to be original this year by putting all the Freshman names in a box and having each Sophomore draw one name. We then told the Freshman whose name we drew what he had to wear. This way we had a great variety of funny-looking Freshmen.

We selected Carolyn Forney and Barbara Krieger as our Homecoming Candidates. Lynne Watkins was our choice for Miss Tycoma of 1956. We worked very hard for her. Through deep snow and other unpleasant weather conditions, we went on many ticket drives.

To raise money for our class we held dances, roller skating parties, cake sales, and candy sales.

In the spring we served at the annual Junior-Senior Banquet. This was a real experience for us as we learned what was expected of us next year.

The last duty of our Sophomore year was to decorate for the Senior Baccalaureate.

With the experience of our Sophomore year behind us, we are now looking forward with eagerness to being Juniors.

Freshmen . . . Wide-Eyed, Curious and Bewildered

As we stepped across the threshold as green-frightened Freshmen, we entered upon a new and eventful life at Highland. Our first adventure was the Freshman initiation. Rosemary Hammermeister and Terry Glasscock won prizes for being the best dressed. After a day of bowing and fulfilling the Sophomores' wishes, they treated us to an evening wiener roast party.

Our first duty as a class was to nominate candidates for homecoming queen. We selected Wanda Buchanan and Karen Raymond. For the annual Miss Tycoma contest we chose Anna Adams. We weren't so successful in raising money for her, but with the added experience of another year, we hope to do better.

Our class officers were selected with care so that we might have an active class. One of our projects to raise money for this year was selling at the football and baketball games; we also held cake and candy sales.

To decorate for the Senior Graduation was our last requirement as Freshmen.

In addition to the regular librarians are Barbara Barrett, in charge of typing, and Darlene Weaver in charge of overdues. During the year the Library Club earned money for a gift for the library by selling at Football and Basketball games and by holding sales.

Senior Dramatics

Under the direction of Mr. James Landers, the Senior Dramatics Class presented the Broadway Stage Play, "Time Out For Ginger," starring Dale Wilkinson, Howard Carol; Mary Lou DeRiese, Agnes Carol; Pat Moore, Ginger. Other members of the cast were, Evalyn McDermott, Starlene Morris, Hilda Curtis, Arnold Pleasant, Jerry Willard, Gerald Biggers and David Howerton.

The play was presented three times, twice as a matinee for High School and Grade School, with everything going along fine until the evening performance when it snowed about ten inches.

To promote sales of tickests for the play, the class held a ticket rally.

The Dramatics class also presented the one act comedy "The Tantram." The cast consisted of Dale Wilkinson, Betty Griffith, Pat Moore, Hilda Curtis, Starlene Morris, Carolyne Lane, Dick Cossel, Jerry Willard, Gerald Biggers, and David Howerton.

The classwork was concluded by giving speeches and readings.

Junior Dramatics

Thirty-one juniors entered Junior Dramatics at the start of the second semester. They gave reports, speeches, and readings, and then presented the one-act play, "Happy Journey to Trenton and Camden" which starred Kay Kaldenberg, Bob Lemcke, Doris Davey, Lee Beitel, and Jackie Smith. With this experience behind them, they began work on the three-act play, "Strange Boarders." Included in the cast were Violet Towell, Deanna Rasciner, Joy Wood, Jackie Smith, Gary Williams, Bob Johnson, Phyllis Wilson, Ernie Weiss, James Green, Bob Lemcke, Tom Carey, Ruth Rudd, Doris Davey, Vernon Cooper, and Duane Oberlander. The play was presented to the grade school and the high school as well as the regular night performance, and proved to be a great success. The money they raised was used for the Junior-Senior Banquet.

With the Class Play over, they finished up the year by giving several one-act plays. With such a successful year behind them, they are looking forward to returning next year.

Glee Club Officers

After the hustle and bustle of planning for the Homecoming celebrations, the Glee Club slowed their pace a little but not for long. The Christmas season brought much work to do and many activities in which to participate. Of these one of the high lights was singing at the annual Highland Community Candle Lighting Service. The Choir sang two numbers, "Sleep of the Child Jesus," and "Sing Gloria." The following evening the Glee Club together with the band, presented the Christmas concert, and so ushered out another colorful year of varied activities.

Back row, left to right: Sharon Estes, Dale Wilkinson, Pam Nelson. Second row: Betty Griffith, Carolyne Lane, Mary Lou DeRriese. Front row: Donna Melton, Pat Moore, Barbara Patterson.

First row: Hugh Gerth, Rosetta Crow, Kay Sasser, Ruthanna Hilder, Lana Fernstrom, Linda French.

The band under the direction of Mr. Harlow Brown, did a great job of promoting Highland's school spirit this year. Due to the joining of the Junior High and Senior High bands, the group was considerably increased in size.

During football and basketball seasons the band was always present and entertained at half time with marching and different field formations. They also played at pep assemblies and other special occasions. The two highlights of the year were giving the Christmas and Spring Concerts with the Glee Club.

Majorettes were Donna Pursley and Nancy Lydin.

1955 Homecoming Dance

After a hard fought afternoon victory over Naches, the second annual Homecoming Dance was held in the high school cafeteria. The cafeteria was gayly decorated by members of the glee club. The class of '49 were the honored guests. The music for the evening was supplied by Bill McCormick's Band.

Jackie Smith reigned over the game and dance as Homecoming Queen. She was crowned at half time of the football game by Captain Jim Cline. Other members of the royalty were Pamela Nelson, Senior, and JoAnn Ray, Junior.

The Queen and princesses were selected from a group of eight candidates, two from each class, by the student body. Other candidates were Sylvia Benner, Senior, Barbara Kreiger and Carolyn Forney, Sophomores, and Wanda Buchanan and Karen Raymond, Freshmen.

The dance was sponsored by the Glee Club under the direction of Mr. Harlow Brown.

Highland finished its 1955 season with a very pleasant win over their arch rival, Naches, defeating them 32-13. This win culminated Highland's most successful football season in history. It was a season in which Highland tied for the Valley Championship with Marquette and Ellensburg with a 7-1-1 record. To make it even more successful, both Highland and Marquette defeated the southern division champions, Kennewick. Probably the key to the team's success was due largely to the fine spirit of the Senior

boys who will be sorely missed next year. With the same spirit and determination it is entirely within the realm of possibility for Highland to have the same kind of season in 1956. The enthusiasm of the returning Sophomores and Juniors will be the determining factor. They demonstrated in the final quarter of the Selah and Naches games that they have what it takes to win.

Highland B-Squad football this year, engaged in a nine game schedule, the greatest number of games that the young Scottie hopefuls have absorbed.

The season, unsuccessful, in terms of games won, ended with a 25 to 6 win over Moxie; and if we can continue next season where we have left off this year, we may anticipate a more successful season. We further realize that we are a smaller school now, so Freshmen of next year will be counted on to help us to a better season.

The nucleus of the Scotties basketball squad this year consisted of four returning senior lettermen: Ken Rochel, Arnold Pleasant, Jim Cline, and Dick Conrad. This senior group was bolstered by fellow classmates, Charles Pogue, Carl Smith, Jerry Groenig and Vernon Ford. Underclassmen rounding out this squad roster were junior Gary Williams and sophomores, Dick Mortimer, Larry Knutson and Bob Ward.

Graduation this spring will leave our next years roster with a small number of returning lettermen. The Highland "B" squad has shown promise and, through continued progress, might make the future "A" squad basketball fortunes at Highland as successful as this year's "B" squad season was.

The team had a very successful pre-League season, winning all four games. By losing only four out of sixteen League games, the team ended up in third place giving them a berth in the district tournament in Sunnyside.

The "B" squad completed one of its most successful seasons with a record of 15 wins against only four losses. Three of the four losses were lost by margins of 1, 2, and 3 points. The only decisive defeat was by Sunnyside by a 45-32 score. The young players, predominately sophomores, developed very well so that in the second half of the season only one game was dropped in the last ten.

The leading scorer for the team was 6' 3" center, Bob Ward, with 155 points. Close behind was Dick Mortimer with 143, Topper Sterns with 131, Jim Caton with 130, Larry Knutson with 92 and Hugh Townsend with 71. The equal distribution in the scoring showed evidence of fine team play with a game scoring offense average of 44 points. Probably the most important factor was the fine defensive effort in holding their opposition to 39 points a game in a total of 19 games.

Highland basketball followers may have good reason for wishing for continued exciting and winning seasons from the promising group of present sophomores. However, only with continued improvement from year to year as this group has shown since its freshman year, will this possibility become a reality.

In the valley basketball tournament in Sunnyside, Highland upset the AA class team, Richland, in the first round of play, 50-49. The following night, Wapato was taken into camp by a wider margin, 61-49. The next week-end the Scots dumped Pasco, 72-69, in a high scoring affair for the Valley Championship and a State Tournament Berth. In the State Class A Tournament in Seattle, the Scotties took sixth place through outstanding team effort on defense and rebounding. We are indeed proud of our team's competitive spirit and its success.

The team voted Arn Pleasant and Carl Smith honorary team captain and Inspirational Award Winner respectively.

Dear Pam –

I've really enjoyed going to school – through all the years, with you. We've had a lot of fun, and done a lot of things, but I guess there comes a time when each person has to go his own way. This looks like it! I've enjoyed your friendship, and we can always remember our double dates – you with Hank or Mike. Honestly – one of these days you're going to have to decide which one to write to! We can look back and remember our sore feet and all the packages we didn't come back with from shopping trips – especially in Seattle. You've had a successful year in running for queens etc. Congratulations! We'll probably see each other at college next year. I do wish you'd decide what you're going to do! I wish you all the luck in your future – whatever it may be.

a friend always,
Donna

Pam-

Things have been so different this year from last year that I sort of hate to begin this. Last year we seemed to be such close friends but lately we have —— well you know what I mean. It is a lot easier to write what you feel and know you should say than it is to just come up to you and say it. Anyway no matter how I sometimes act I want you to know that I will always remember you as one of my closest friends. You have really come up in the world. I know you really had fun being Miss Lycoma, + Homecoming princess, I'll never forget that cute picture of you on T.V. when you were running for Miss Yakima. You don't look <u>too</u> bad in a bathing suit (just kidding). Remember all the fun we have had together at camp. I hope we can go again this year. Well, Pam, we have done a lot together but at the present I just can't think of it. I want to wish you the best of everything in college and in the future. I hope you finally find out what you want to do and I know you can do it no matter what it is. Best of luck always in everything you do. Be sure to come and see me after you become a well known ——— (whatever you are going to be). I'll never forget you or the fun we have had.

Love,
Lou DeRose

Pam –

It hardly seems possible that our days at High school are over in three more days. It sort of scares me to think of what the future might hold for me and other kids. Remember all the great times we have had together. Most of our activities together center around our Y. F. group. We have had some real rare times and experiences in that group. Remember the night you guys took Pat Mayer, snipe hunting. Either she is mighty dumb or she can cover up what she knows pretty well. Remember all the crazy ideas we have had for parties for the group. Also, remember all the fun we had with the gang however, you and I seem to be more or less on the outside of the group. The times we have had slumber parties have really been fun. All the years we have gone together have been fun. Remember how in grade school we used to fight over Dale W.

Best of everything that the world has to offer to a wonderful gal.

God Bless you & take good care of yourself.

Love

Pam,
Well we're graduated and maybe we will see each other at N.S.C. if I can ever make up my mind. I hope you attain that goal you are seeking.

I have had a lot of fun going to school with.
Had a lot good times in the senior year at H. H. S. Remember the snipe hunt we went on. I'm still laughing about it. I hope to see you around this summer and the years to come.
Be good and stay out of trouble.

Pam:
It is very good to be home again. I can't think of anything to say. I guess I will see you on the "JEEP RIDE" & can hardly wait. Good luck always.

I wish you well. I shall always remember you as a polite vivacious person who has not as yet formed a friendship with English.

Kitten -

It seems as if we have known each other for a long time, and yet not at all. I have had so much fun knowing you, and teasing you about everything that comes along. In our Spanish class, I know you and Hilda always corrected each others papers (and got good grades), but seriously, Kitten, that is where I really got to know you. Remember you and Hilda taking turns getting mad at me and not talking to me? Another event I wont forget is the night you were dancing me and feel down. That little gold football caused a little bit of trouble (romance?) too, especially in the hospital. I will never forget Dicks red face, or yours. I never had too much of a chance to go up to the library third period, but then I guess Dick took care of you for me. I cant continue without saying something about your talent for becoming a princess. You deserved all the titles you got, and you should get more. (even if it will be miss Tieton)

It has really been wonderful knowing you, Kitten; I wants to say that you are one of my best friends. I hope you and I will continue knowing one another after graduation. Good luck to you and yours forever from "the only one of his kind".

Con amor
Glenn

P.S. thanks for teaching me a little bit about music.

P.P.S. Watch those brown eyes.

Well I guess We wont be here next year I hope. You should of threw a fire cracker in the car at the party. Its been a lot of fun, so good bye sweat heart, and good luck.

I luv U.

Pam Our four years are up and they have all been fun. I have a lot fun with you and having you as a friend. The time we went to Eshbach and climbed on the ~~trailer~~ ~~house~~ trailer and took the "cute" pictures. We also had fun in Spanish being Teachers pet. I hope you have a lot of success in college and you should have if you just keep up the good work as you have in high school. You were a real cute homecoming princess. I hope to see you next year. Nikki

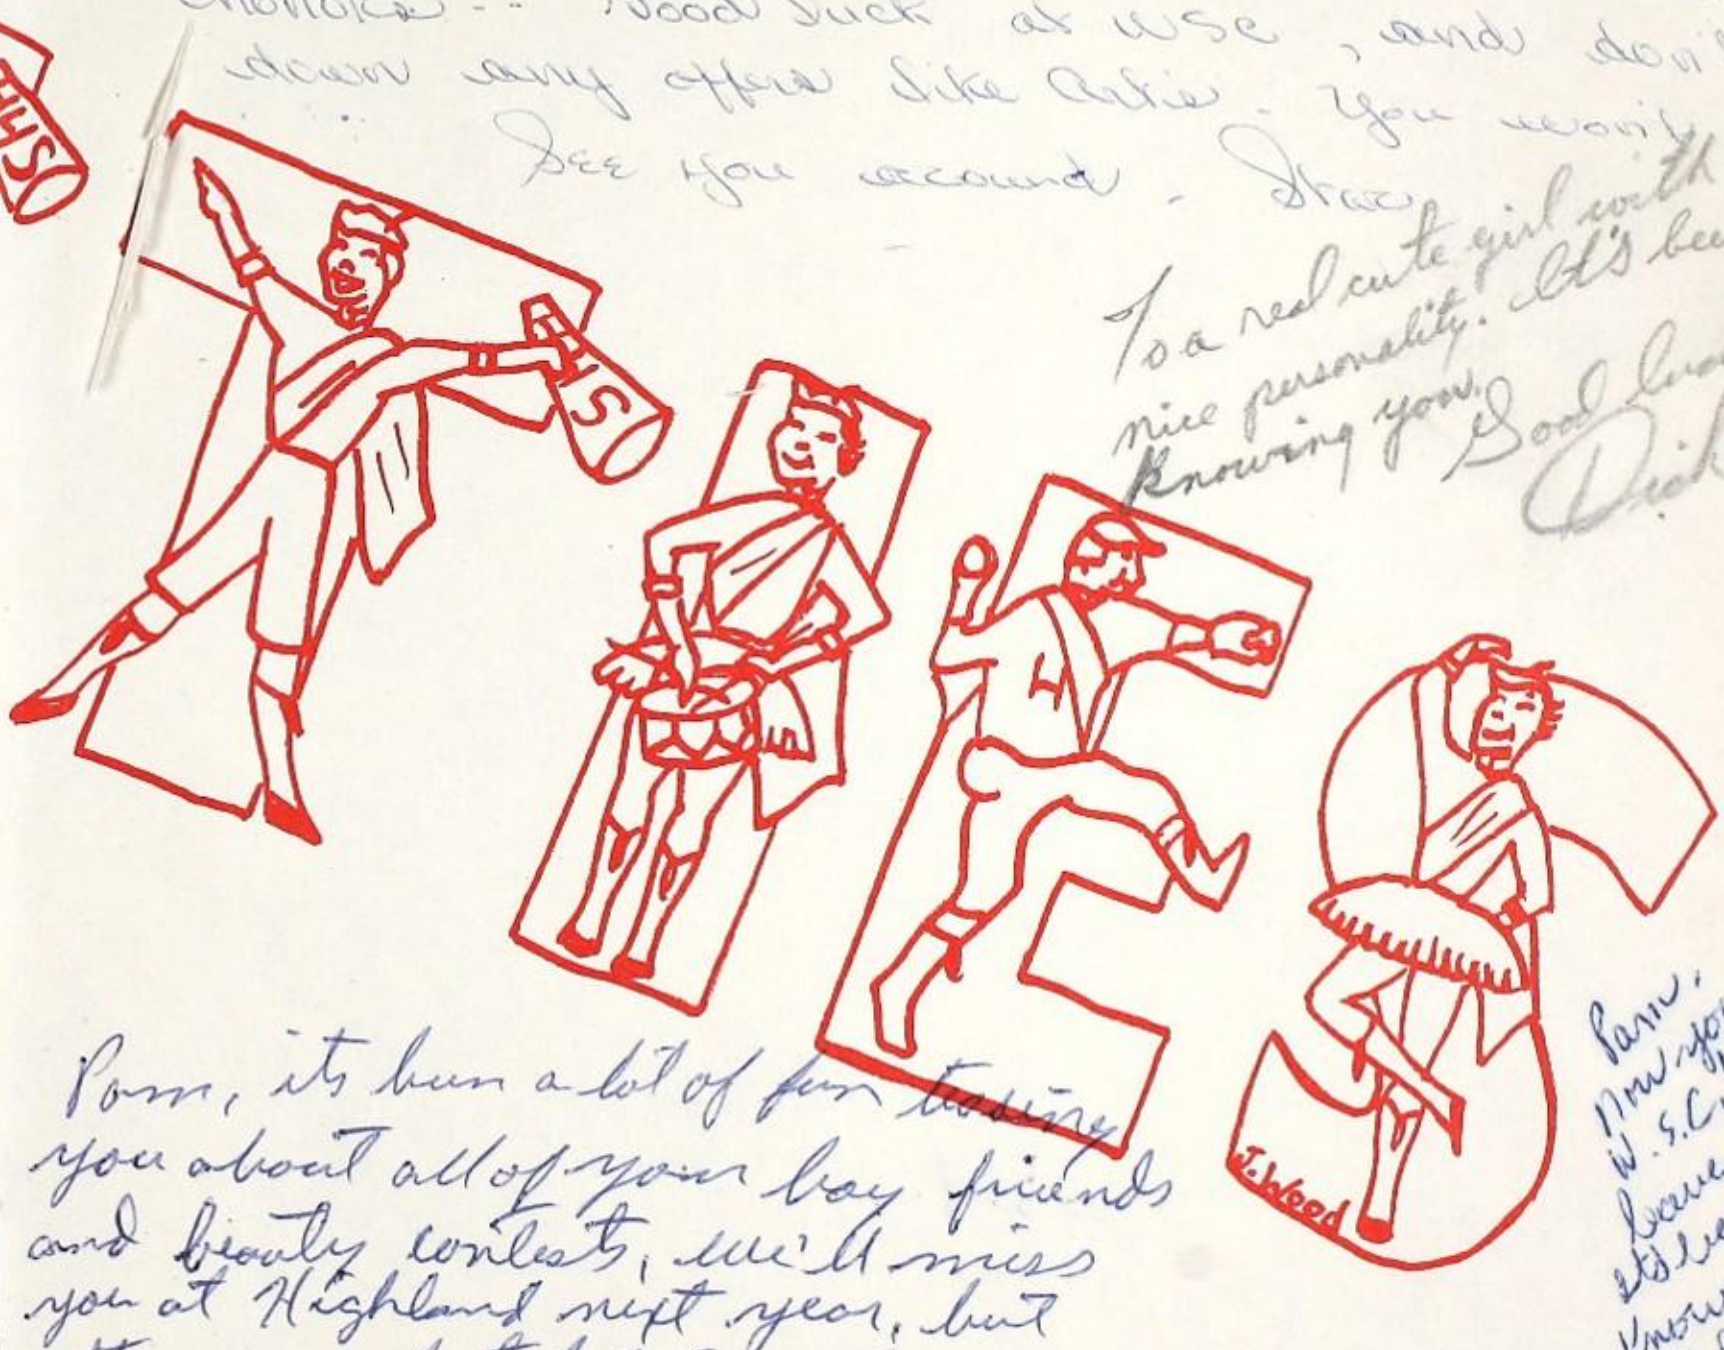
Dear Pam,

Since this is undoubtably the last time that we'll all be together like this, we'd best make the best of it. As you said, our four-junior high memories, not to mention our high school ones. The most fun was this year in Eng. with Mrs. S, Art, Sew + just the whole back row of boys. I'll remember Art's genuine attitude, offering to drive. Or best we make the most of our situation' as Mrs. S. says, you were voted off with all the honors -- Good luck at WSC, and don't burn down any offices like Artie. You won't.

See you around. Dick

P.S. a real cute girl with a very nice personality. It's been nice knowing you. Good luck Dick Cook



Pam, its been a lot of fun teasing you about all of your boy friends and beauty contests, we'll miss you at Highland next year, but after you elected Miss Tieton I'll see you around.

Gary Williams

Pam, Now you can go to W.S.C. I hate to leave, yet I don't. It's been lots of fun knowing you and Hidefina with you in Library. We were such good librarians! Love Evelyn

I.S. I expect great things from you.
